ARTICLE 1 RECOGNITION

1.01 PREAMBLE

Recognizing that providing a high quality education for the children of the Meigs Local School District is the primary purpose of this school district we hereby declare that:

- A. The Meigs Local Board of Education, under law, has the final responsibility for establishing the policies of the district.
- B. The Superintendent and his staff have the responsibility of carrying out the policies established.
- C. The Meigs Local Board of Education and the Meigs Local Teachers' Association recognize that the objectives of the educational program are realized to a high degree when mutual understanding, cooperation, and effective communications exist between the Board of Education and its certificated staff.

The Board of Education of the Meigs Local School District and the Meigs Local Teachers' Association hereby adopt the following agreement covering recognition of the Association, methods by which collective bargaining shall take place with said Association, and articles on which both parties have reached agreement using the approved methods.

1.02 RECOGNITION

The Meigs Local Board of Education hereinafter referred to as the "Board" recognizes the Meigs Local Teachers' Association hereinafter referred to as the "Association" as the sole and exclusive bargaining representative, for full and regularly scheduled part-time certificated employees under a regular limited or continuing teaching contract. Including by way of illustration only but not limited to classroom teachers (K-12, special, and vocational) guidance counselors, librarians, and school nurse(s). Seniority for part-time members will be computed by utilizing the actual hours or fraction thereof of hours worked of the agreed upon length of the school day. The Association recognizes that the Superintendent, Assistant Superintendent, Principals, and other Administrative personnel as defined in Chapter 4117 Ohio Revised Code are excluded from the bargaining unit. The Board recognizes that Association representation will include any newly created position unless employment into the position is governed by Section 3319.02 of the Ohio Revised Code.

Regular limited, means those contract(s) issued to classroom teachers other than those limited contracts issued as supplemental or substitute.

1.03 PRINCIPLES AND SEVERABILITY

- A. If any provision of this document shall be found by a Court contrary to Federal Law, the Revised Code of the State of Ohio, or the rules and regulations of the State Department of Education, then this provision shall be deemed invalid except to the extent permitted by law, but all other provisions shall continue in force. The parties shall negotiate in order to bring the contract into legal compliance.
- B. It is recognized by both parties that the Board and Administration are responsible for decisions which will best utilize the abilities of certificated staff members and that certificated staff members will render services to the best of their abilities and in accordance with Board rules, policies and regulations while in the district.
- C. As long as this agreement is in force or collective bargaining is proceeding in good faith, neither party will take action, which will interrupt normal school operations. Such interruption shall terminate this agreement.

1.04 LABOR MANAGEMENT COMMITTEE

- A. A labor/committee will be established upon the ratification of this agreement. The committee shall consist of four (4) Board representatives, which includes the superintendent and four (4) association representatives, which includes the Association president. The Association presidents and the superintendent shall meet during the first week of each school year and schedule quarterly meetings for the upcoming school year. Meetings will be held outside of the school day.
- B. The committee shall meet to discuss potential problems and promote a more harmonious work environment. Areas of discussion should include, but not be limited to: state and federal mandates affecting the school; the administration of this agreement; to notify the Association of changes made by the administration that would affect the bargaining unit; disseminate general information to the parties; discuss ways to improve educational services; scheduling and holding of open house, etc. Representatives attending the Labor/Management Committed may not change the negotiated agreement, but may agree to make recommendations to their respective groups regarding issues arising during the meetings.
- C. At least five (5) days prior to the meeting, each party shall furnish a list of all matters to be discussed and these shall be placed on the agenda by either the superintendent or the Association president. The agenda shall be distributed to all attending committee members at least two (2) days prior to the meeting.

ARTICLE 2 NEGOTIATIONS

2.01 PROCEDURES FOR CONDUCTING COLLECTIVE BARGAINING

- A. Collective Bargaining Teams - The Board, or designated representative(s) of the Board, will meet with representatives designated by the Association for the purpose of negotiating and reaching mutually satisfactory agreements. All collective bargaining shall be conducted exclusively between said teams in executive sessions. The parties may call upon professional and lay consultants to assist in collective bargaining. The expense of such consultants shall be borne by the party requesting them. Each bargaining team may consist of four (4) members.
- B. Submission of Issues - Either party may initiate negotiations by submission of the appropriate SERB form forwarded to the other party sixty (60) days before the expiration of the contract. All issues proposed for negotiations shall be submitted by the parties at the first meeting. No additional issue(s) may be submitted by either party following the first meeting, unless mutually agreed by the parties. All subsequent meetings shall be called at times mutually agreed by the parties.
- C. Collective Bargaining Procedures - Designated representative(s) of the Board shall meet at mutually agreed upon places and times with representatives of the Association for the purpose of effecting a free exchange of facts, opinions, proposals, and counter-proposals in an effort to reach mutual understanding and agreement. Both parties agree to conduct such collective bargaining in good faith and to deal openly and fairly with each other on all matters. Following the initial meeting, as described in Paragraph B above, such additional meetings shall be held, as the parties may request, to reach an understanding on the issue(s), or until an impasse is reached. If an agreement is not reached within forty-five (45) calendar days before the expiration of the contract, the unresolved issues shall be submitted to a mediator appointed by the Federal Mediation and Conciliation Services.
- D. Caucus - Upon request of either party, the bargaining meeting shall be recessed to permit the requesting party a period of time, not to exceed thirty (30) minutes, to caucus unless extended time is mutually agreed upon.
- E. Exchange of Information - Prior to and during the period of collective bargaining, the Board and the Association agree to provide each other, upon written request, all regularly and routinely prepared information concerning the issue(s) under consideration.
- F. News Reports - Association and Board representatives may make news releases during negotiations.
- G. Reaching Agreement - As tentative agreement is reached on each issue, it shall be so noted and initialed by each party. When the consensus is reached covering the areas under discussion, the proposed agreement shall be reduced to writing as a tentative agreement and submitted to the Association and the Board for approval. Following approval by the Association, the Board shall act upon the tentative agreement within three (3) calendar days.

2.02 AREAS FOR DISCUSSION AND AGREEMENT

- A. This recognition constitutes an agreement between the Board and the Association to attempt to reach mutual agreement on all matters pertaining to wages, hours, or terms and other conditions of employment of this collective bargaining agreement are subject to collective bargaining between the Board and Association.
- B. All Board of Education rights, powers, duties, discretion, authority, and prerogatives are retained by and shall remain exclusively vested in the Board of Education except as clearly and specifically limited by this agreement. All rights, powers, duties or authorities not specifically reduced to writing as a part of this agreement are resolved solely to the discretion of the Board of Education and the administration.
- C. The parties acknowledge that during the negotiations, which resulted in this contract, each had the unlimited right and opportunity to make demands and proposals on any subject within the scope of bargaining. The understandings and agreements arrived at by the parties after the exercise of the right and opportunity are set forth herein, and the parties agree that this contract constitutes the entire agreement between them and settles all demands and issues on all matters within the scope of bargaining, except as herein set forth.

2.03. IMPLEMENTATION AND AMENDMENT

- A. The Meigs Local Board of Education and the Meigs Local Teachers' Association acknowledge that during the negotiations, which resulted in this agreement, each had the unlimited right and opportunity to make demands and proposals on any subject within the scope of negotiations. The understandings and agreements arrived at by the parties after the exercise of the right and opportunity are set forth herein, and the parties agree that this agreement constitutes the entire contract between them and settles all demands and issues on all matters within the scope of negotiations. All prior negotiated agreements not contained herein, and all prior practices, rules, or regulations not contained herein shall not be binding upon the parties to this agreement.
- B. This agreement shall be considered approved by the Meigs Local Board of Education and the Meigs Local Teachers' Association upon ratification by both parties. The agreement shall become effective upon the date specified in Article 15, Duration of Contract.
- C. The agreement may be amended by mutual consent of both parties. A meeting to bargain such amendment proposals shall be held not more than ten (10) days following a written request for such meeting by either party. Bargaining shall be conducted in accordance with the procedures of this document, but such amendment proposals shall not be permitted during the collective bargaining period defined in Paragraph C of 2.01.

- D. An Interim Bargaining Council (IBC) shall be established with the effective date of this contract. The IBC shall consist of six (6) members; three (3) members appointed by the Board and three (3) members appointed by the Association. The IBC will be established without delay after the effective date of this contract.
- E. Any bargaining during the duration of this contract, except the bargaining for a successor contract, shall be through the IBC. A majority of the IBC shall be required for approval of an addendum to the agreement. Any agreement reached on an issue(s) by the IBC shall become addenda to this contract.
- F. The parties shall meet to bargain implementation of legislation for the purpose of issue(s) resolution. The bargaining shall be conducted using the interest- based model and will be conducted by FMCS. The bargaining shall be concluded at least thirty (30) calendar days prior to the effective date of legislative required implementation.

ARTICLE 3 GRIEVANCE PROCEDURE

3.01 DEFINITIONS:

- A. A grievance is an alleged violation, misinterpretation, or misapplication of this written agreement.
- B. A grievant shall mean an employee or group of employees within the bargaining unit, or the Association alleging that some violation, misinterpretation, or misapplication of the aforementioned agreement has actually occurred. A "group" grievance shall have arisen out of identical circumstances affecting each member of said group.
- C. A day shall mean a calendar working day. The number of days indicated at each level shall be considered as maximum and shall not be exceeded by either party unless mutually extended in writing by the parties of interest to a certain time.

3.02 GENERAL PROVISIONS

- A. The grievant(s) shall receive fair and prompt treatment without fear of reprisal. All proceedings shall be handled in a confidential manner in accordance with these provisions.
- B. Election of Remedies - A grievant shall not be denied his/her legal rights under the law, provided, however, upon filing of a complaint by the grievant or on the grievant's behalf, in any court of competent jurisdiction demanding relief upon a matter which is the subject of a pending grievance, such filing shall be deemed a waiver of the rights granted herein and the grievance shall be dismissed.
- C. Copies of the documents pertaining to a grievance, which have been filed, shall be placed only in a confidential file of the Treasurer of the Board and the President of the Association. The Treasurer shall make these available only to the members of the Board of Education, the Superintendent, and by court order. All proceedings shall be destroyed after three (3) years.

- D. No grievant may be represented by any teacher organization other than the Meigs Local Teachers' Association in a grievance initiated pursuant to this agreement.
- E. No grievant shall be denied the right to legal advice and/or counsel in any of the levels listed below, but representation at Level One shall be limited to representation by a full-time employee of the Meigs Local School District.
- F. A grievance may be withdrawn at any level without prejudice or record.
- G. Copies of all written decisions of grievances shall be sent to all parties involved: the Association President, the Aggrieved, the Treasurer, and the Administrator(s).
- H. Forms for processing grievances shall be made available through all administrative offices in each building, the central administration building, and through designated officials of the Association.

3.03 PROCEDURE:

A. Level One--Informal

Any bargaining unit member with a problem must first have discussed this problem with his/ administrator before a grievance shall be filed. The problem shall have been discussed within twenty (20) days after the bargaining unit member is aware, or should have been aware, the alleged violation(s) misinterpretation, or misapplication occurs. In making the appointment for the meeting, the bargaining unit member must state that the meeting may be the first step of the grievance procedure.

1. If within five (5) days after discussion the action taken by the administrator does not resolve the grievance to the satisfaction of the grievant, or if the administrator has replied in writing that he/she does not have the authority to grant the remedy sought, such grievant may appeal in writing to the Superintendent within five (5) days from the receipt of the written notice of the immediate supervisor.
2. The written grievance shall be on a standard form supplied by the Board of Education and shall contain a concise statement of the facts upon which the grievance is based, and a reference to the specific provision of the written agreement allegedly violated, misinterpreted, or misapplied. The grievance shall be considered a written request for a hearing. A copy of such grievance shall be filed with the Superintendent.

B. Level Two--Formal

Upon request, a hearing shall be conducted by the Superintendent. Within five (5) days of the receipt of such request the parties will agree on a time and place to meet followed by a written notice by the Superintendent. The Superintendent shall take action on the appeal of the grievance within five (5) days after the receipt of the appeal, or, if a hearing is requested, within five (5) days after the conclusion of said such hearing. The action taken and the reasons for the action shall be reduced to

writing and copies sent to the grievant, the building principal, the Treasurer of the Board of Education, and the President of the Association. Written notices may be sent by electronic mail.

C. Level Three – Formal

1. If the aggrieved is not satisfied with the disposition at Level Two, he/she may request that the issue be submitted to arbitration within ten (10) days after receipt of the written notice of the action taken by the Superintendent. An Arbitrator shall be selected by the Voluntary Rules and Regulations of the American Arbitration Association.
2. The Arbitrator shall have no power to alter, add to, or subtract from the terms of the Agreement, nor to make any award, which is inconsistent with the terms of the Agreement, or contrary to law.
3. The Arbitrator shall make his/her report and recommendations to the aggrieved, the Superintendent, the Treasurer of the Board of Education, and the President of the Association. His/Her decision shall be binding upon the parties. Said report shall be issued to the parties by the Arbitrator at an agreed-upon date. Cost of the Arbitrator's services shall be shared equally by the Board of Education and the Meigs Local Teachers' Association.

ARTICLE 4 REDUCTION IN STAFF

4.01 NOTIFICATION OF REDUCTION IN STAFF

- A. If the Board determines it necessary to reduce the number of bargaining unit positions under O.R.C. 3319.17 or for financial reasons the Board shall notify the Association in writing, not later than May 15th in the calendar year the RIF is to be implemented. The notification shall include the reason(s) for the RIF; the position(s) to be reduced, eliminated or not filled; the date of the Board's action to implement the RIF and the effective date of the RIF.
- B. Representatives of the Board shall meet and review the reasons for the proposed Reduction in Force and its impact, if requested by the Association, within ten (10) days of the receipt of the notification. Within five (5) days of the request by the Association, a meeting shall be set between the Board's representatives and the Association's representatives unless such a date is mutually extended. If the Association disagrees with the reason(s) for the implementation of the proposed RIF, the Association may initiate the grievance procedure at Step III.

4.02 PROCEDURES FOR REDUCTION IN STAFF

- A. Reductions shall be made by suspending contracts based upon the Superintendent's recommendation. Those contracts to be suspended will be chosen as follows:
 1. Recommended reductions shall first be done by not filling positions vacated by termination, non-renewal, voluntary resignation, retirement, or death.

2. An employee to be laid off due to RIF shall be given sixty- (60) calendar days advance written notification prior to the implementation of the RIF. The Association shall be sent a copy of the notification at the same time. The notice shall state the reason for RIF, the effective date of the contract suspension, and the date of the Board's action to implement the RIF.
 3. All members of the bargaining unit will be placed on a seniority list for each teaching field for which they are properly certificated. Teachers serving under continuing contracts will be placed at the top of the list, in descending order of seniority.
 4. Teachers serving under limited contracts will be placed on the list under continuing contract teachers, also in descending order of seniority.
- B. In making any such reduction, the Board shall first perform the reduction through attrition. If attrition is not sufficient to accomplish the reduction, the Superintendent shall, within each teaching field affected, give preference first to teachers on continuing contracts and then to teachers on limited contracts in order of seniority where evaluations are comparable.

4.03. SENIORITY

- A. Seniority will be defined as the length of continuous service as a certificated employee under regular contract in this district.
1. Board approved leaves of absence will not interrupt seniority, but time spent on such a leave shall not count toward seniority.
 2. If two or more teachers have the same length of continuous service, seniority will be determined by:
 - a. the date of the board meeting at which the teacher was hired, and then by;
 - b. the date the teacher signed his/her initial employment contract of continuous service in the district, and then by;
 - c. administrative decision.
- B. Recommended reductions in a teaching field will be made by selecting the lowest person on the seniority list for that area of certification who is currently assigned to a position in that teaching field. A teacher so affected may elect to displace a teacher who holds a lower position on a seniority list for another area of certification. Any such election must be made at the time the teacher is notified he/she will be affected.

4.04 RECALL PROCEDURES

- A. The names of teacher(s) whose contracts are suspended in a reduction in force will be placed on a recall list for up to twenty-seven (27) months from the date of the reduction. Teachers on the recall list will have the following rights:

1. No new teachers will be employed by the Board nor will a vacancy be posted while there are teachers on the recall list who are certificated for the vacancy.
2. Teachers on the recall list will be recalled in order of the seniority for vacancies in area(s) for which they are certificated. Every teacher on the recall list will receive from the Board, by certified mail, a form indicating the employee's current address, certifications/licensures, and desire to return to the district. Such notices shall be sent out fourteen (14) calendar days prior to once every nine- (9) months, commencing with the effective date of the layoff. The teacher shall complete the form, including any additional or deleted certifications, whether or not the teacher continues to desire to return to the district, and any change in address. The teacher must return the form prior to the expiration of the applicable nine- (9) month period, or the teacher will be removed from the recall list. The teacher will also be removed from the recall list if he or she indicates he or she does not wish to return to the district.
3. If an opening the Board plans to fill occurs, the Board will send a certified announcement to the last known address of all teachers on the recall list who are qualified according to these provisions. It is the teacher's responsibility to keep the Board informed of his/her current address. All teachers are required to respond in writing to the district office within seven (7) calendar days. The most senior of those responding will be awarded the vacant position. Any teacher who fails to respond within seven (7) calendar days, or who declines to accept the position, will forfeit all recall rights.
4. A teacher on the recall list will, upon acceptance of the notification to resume active employment status, return to active employment status with the same seniority, accumulation of sick leave, and salary schedule placement as he/she enjoyed at the time of layoff.
5. Teachers may accept less than full-time employment in the district; however, such employment does not constitute a waiver of recall.

4.05 GENERAL PROCEDURES

- A. The parties agree that these procedures apply only to the suspension of contracts under 3319.17 or for financial reasons. This article shall not require that the Board of Education fill any vacancy, nor shall it interfere with any other lawful personnel procedures in the district.
- B. Members of the bargaining unit who have continuing contracts may have contracts suspended as per this article but shall retain recall rights as per O.R.C. 3319.17.
- C. Bargaining unit member(s) whose contracts are to be suspended for financial reasons shall be provided specific information as to the cause for the contract suspension.

4.06 COMPARABLE EVALUATIONS

- A. The definition of the term “comparable,” as applied to teacher evaluations, included in this section shall only be applicable after a new evaluation system that complies with HB 153 has been negotiated and fully implemented, as defined above, for at least two (2) years.
- B. All teachers within the District shall be deemed to have comparable evaluations if they are “Accomplished,” “Skilled,” or “Developing” as is defined in the OTES Board Policy.
- C. Upon full implementation of the new evaluation system, and with at least two (2) full years of student growth data, in the event a teacher is rated “Ineffective” for two (2) consecutive years, such teacher shall no longer be considered comparable to the rest of the bargaining unit for purposes of a reduction in force.
- D. Newly hired teachers with less than two (2) years of student growth data shall be deemed comparable with the rest of the bargaining unit.
- E. No reduction in force shall be accomplished through the nonrenewal or termination of the contract of any bargaining unit member.

ARTICLE 5 TRANSFERS AND VACANCIES

5.01 VACANCY

- A. For the purpose of this section "vacancy" shall be defined as an opening in the bargaining unit created by retirement, resignation, death, nonrenewal, or termination of an employee or a new position, and such vacant position(s) created by any of the foregoing which the Board intends to fill or a supplemental position created by retirement, resignation, death, nonrenewal, or termination of an employee or a new position, and such vacant position(s) created by any of the foregoing which the Board intends to fill.
- B. The relocation of bargaining unit work from one building to another does not constitute a vacancy. However, in the event that more than one bargaining unit member's work assignment changes location to a different work site, then such affected bargaining unit members may volunteer to change work sites. If a sufficient number of bargaining unit members do not volunteer, then the least senior certified bargaining unit member, on the basis of district seniority, shall be subject to an involuntary transfer.
- C. Vacancies occurring twelve (12) weeks after the first day of school shall be filled by the successful applicant. However, the applicant need not be assigned the position until the following school year. The determination of time of assignment is to be made by the administration.

- D. The date(s) of assignment will be posted on the posting; however, the Superintendent at his/her discretion will decide on which date of assignment after the close of the bidding.

5.02 POSTING

- A. Any vacancy shall be immediately posted via electronic mail to all bargaining unit members until that vacancy is filled and approved by the Board of Education. During the regular school year, including June and July, no vacancy shall be filled until after the fifth (5) working day of the posting.
- C. Beginning August 1, vacancies shall be filled internally from bargaining unit members who have submitted an intent form prior to the end of the last business day in July.
- D. All vacancy notices shall be sent to the Association President.

5.03 VOLUNTARY TRANSFER

- A. Bargaining Unit Members who desire to transfer into a vacancy may make written application pursuant to paragraphs 1 and 2 of the posting procedure.
- B. In acting on request for voluntary reassignment and/or transfer, the following criteria apply:
 - 1. Individual qualifications
 - 2. Instructional requirements
 - 3. Available staff replacement
 - 4. Specific reasonable criteria established by the administration to achieve staff balance, which will be included at the time the vacancy is posted.
- C. Where the foregoing factors are substantially equal, assignment or transfer shall be given to the applicant with the greatest number of years of service in the school system. Seniority will not be broken by Board approved leaves of absences, nor will it accrue. If two or more bargaining unit members have the same seniority, then the method of determining seniority as set forth in the Reduction in Force Article will be utilized.
- D. During the period between September through March, the staff in each building, in consultation with the principal, may voluntarily change assignments within the building effective for the next school year. However, for these assignment changes to be effective for the next school year, they must be approved by the building principal.
- E. Any retirement which occurs prior to June 30 shall nullify any previous voluntary in building transfers involving the retiree. Any bargaining unit member(s) participating in an in-building transfer shall not be eligible for another in-building transfer within the same building for the succeeding three (3) school years. Any bargaining unit member(s) that participate in an in-building transfer shall continue to be eligible to bid on posted vacancies.

5.04 INVOLUNTARY TRANSFERS AND/OR REASSIGNMENTS

- A. An involuntary transfer or reassignment after July 1 to be effective during the ensuing school year will be made only after a meeting between the teacher involved and the Superintendent. The teacher may at his/her option have a representative of his/her choice to be present at such meeting. The teacher selected for involuntary transfer shall be the least senior member of the bargaining unit holding the proper certification for the position unless there are extenuating circumstances which will be explained per Section B. Any reassignment made pursuant to this policy shall be in the best interest of the school district as determined by the Administration. Any reassignment made pursuant to this article shall be for one or more of the following reasons: resignation; death; promotion; retirement; disability; leaves; termination; RIF; reduction in classes, programs, or offerings.
- B. Specific reasons for such reassignment or transfer shall be provided in writing to the bargaining unit member so affected upon written request.

ARTICLE 6 CONTRACTS

6.01 INDIVIDUAL CONTRACTS

The Board shall provide each member of the instructional staff individually written contracts in keeping with the provisions of the Ohio Revised Code and Board adopted policies. The provisions of such written contracts shall be enumerated in the subsections of this policy.

6.02 SUPPLEMENTAL CONTRACT

Subsection 1 - Any agreement to act as supervisor for extracurricular activities, for which additional compensation is to be paid, be by supplemental contract.

6.03 TEACHING EXPERIENCE

Subsection 2 - In consideration of the services rendered by the teacher, the Board agrees to pay said teacher a base annual salary as prescribed by the salary schedule of the school district according to the degree and years experience, whether existing or hereafter adopted. This is to include all teaching experience, public or private schools requiring state certification, in Ohio and the other 49 states, and all public teaching on American military bases, requiring American certification, outside the United States. The initial compensation to be paid under a contract shall be according to the existing schedule and that amount shall appear on the contract. This section shall not apply to teachers who have retired under STRS or other states' teacher retirement systems. ARTICLE 14 REHIRING RETIRED TEACHERS

- 14.01 Teacher retirement followed by reemployment with the Board of Education assumes that both the Board and the teacher will benefit. The Board will gain through savings, reduced salary, and the professional expertise of the teacher. The teacher will gain through receipt of salary and retirement benefits. In order to clarify certain areas of this relationship (reemployment of retired teachers) the following provisions will apply.
- 14.02 Any current bargaining unit member eligible to retire under STRS and wishing to continue teaching in their same position as a rehired retiree, may do so by written notification to the Superintendent prior to April 1.
- 14.03 For the purposes of transfer, involuntary transfer, reassignment or a Reduction in Force the upcoming retired/rehired teacher's seniority will remain in effect through the end of the current school year in which they retire.
- 14.04 Retired teachers reemployed by the Board shall be placed on the teacher's salary schedule at their academic training level at Step 0 and advance in typical fashion from step to step based upon years of service as a reemployed retiree.
- 14.05 Retired teachers who are reemployed by the Board shall receive one-year limited contracts of employment. Such contracts shall automatically terminate at the end of each school year without further action, notice or procedure by the School District. Continued employment from contract to contract will be solely at the discretion of the Board. A retired teacher reemployed by the Board shall be ineligible for a continuing contract of employment, regardless of years of service with the District.

- 14.06 Retired teachers who are reemployed by the Board shall be eligible for supplemental contracts at the sole discretion of the Board.
- 14.07 Retired teachers reemployed by the Board shall receive sick leave and personal leave in accordance with the negotiated agreement. - 14.09 The evaluation procedures required of regular teachers under this contract shall apply to retired teachers reemployed by the Board in terms of process of evaluation. A minimum of one evaluation per year is required but the failure to evaluate or to follow negotiated or statutory practice or procedures shall not be a basis for automatic reemployment of a retiree.
- 14.10 Retired teachers reemployed by the Board shall receive medical benefits under the same provision as other bargaining unit members.
- 14.11 The parties agree that to the extent the provisions of this article conflict with or contradict Master Agreement language and/or state law, specifically including, but not necessarily limited to, Ohio Revised Code Sections 3317.13, 3317.14, 3319.07, 3319.08, 3319.09, 3319.11, 3319.111, 3319.15, 3319.16 (except where 3319.16 concerns mid-contract termination of the one-year limited contract of a rehired retiree) and 3319.17, the terms of this article will prevail and will be applied to retired teachers reemployed by the Board.

ARTICLE 15 ACADEMIC DISTRESS COMMISSION

- A. ORC 3302.10 will have no effect on any provision of this contract unless the district would meet requirements of state law for the Superintendent of Public Instruction to establish an Academic Distress Commission for the district and until the Superintendent of Public Instruction notifies the district that the district is subject to the provision of ORZC 3302.10. Should the district enter into academic distress, the intent of the parties is to emerge from said distress with this Agreement intact.
- B. The Association and its members reserve all rights to challenge the constitutionality of ORC 3301.10, either on its face or as applied. The Association and its members also reserve the right to challenge any construction or implementation of ORC 3301.10 or its provisions by the Board, any Academic Distress Commission, any Chief Executive Officer, or any other person or entity. The Association and its members also reserve the right to challenge any action or failure to act by the Board, any Academic Distress Commission, any Chief Executive Officer, or any other person or entity, with respect to the provisions of ORC 3301.10.

Teacher Name: _____ Grade Level/ Subject: _____

School year: _____ Building: _____ Date of Improvement Plan Conference: _____

Written improvement plans are to be developed in the circumstances when an educator makes below expected academic growth with his/ her students AND/OR receives an overall ineffective rating or an ineffective rating on any of the components of the OTES system. The purpose of the improvement plan is to identify specific deficiencies in performance and foster growth through professional development and targeted support. If corrective actions are not made within the time as specified in the improvement plan, a recommendation may be made for dismissal or to continue on the plan.

Section 1: Improvement Statement - List specific areas for improvement as related to the *Ohio Standards for the Teaching Profession*. Attach documentation.

* The acceptable level of performance varies depending on the teacher's years of experience. Teachers in residency—specifically in Years 1 through 4—are expected to perform at the Developing level or above. Experienced teachers—with five or more years of experience—are expected to meet the Skilled level or above.

5. Teacher Performance Evaluation Rubric

The *Teacher Performance Evaluation Rubric* is intended to be scored holistically. This means that evaluators will assess which level provides the best *overall* description of the teacher. The scoring process is expected to occur upon completion of each thirty (30) minute observation and post-conference. The evaluator is to consider evidence gathered during the pre-observation conference, the observation, the post-observation conference, and classroom walkthroughs (if applicable). When completing the performance rubric, please note that evaluators are not expected to gather evidence on all indicators for each observation cycle. Likewise, teachers should not be required to submit additional pieces of evidence to address all indicators. The professionalism section of the rubric may use evidence collected during the pre-observation and post-observation conferences as well as information from the Professional Growth and/or Improvement Plan (if applicable).

10. SLO Scoring Template

The template may be used to organize data for SLOs.

1. First, the teacher adds the name or identification number for each student into the worksheet. Additional rows may be added as needed.
2. Then, the teacher enters each student’s baseline score. This may be from a combination of data points and available information such as scores on the assessment administered at the beginning of the school year or from the previous year /class if available, or other measures that help to set the baseline of the student performance.
3. Next, using their completed SLO template as a guide, the teacher enters each student’s established growth target.
4. The teacher enters the final performance data for each student.
5. The teacher enters if each individual student exceeded/ met the growth target by answering yes or no.
6. Once all the relevant information has been entered in the worksheet, attainment of the students’ growth targets and overall teacher rating of student growth measures on this SLO will need to be computed.
