- I. The names of employees whose contracts are suspended in a reduction in force will be placed on a recall list for up to twenty-four (24) months from the date of the reduction. Employees on the recall list will have the following rights:

1. No new employees will be employed by the Board while there are employees on the recall list in that classification.
2. Employees on the recall list will be recalled in order of seniority for vacancies.
3. If an opening the Board plans to fill occurs, the Board will send a certified announcement to the last known address of all employees on the recall list who are qualified according to these provisions. It is the employee's responsibility to keep the Board informed of his/her current address and/or changes in qualifications that may allow the employee to be recalled in another classification should a position become available. Employees are required to respond in writing to the district office within seven (7) calendar days. The most senior of those responding will be given the vacant position. Any employee who fails to respond within seven (7) calendar days, or who declines to accept the position will forfeit all recall rights.
4. An employee on the recall list will, upon acceptance of the notification to resume active employment status, return to active employment status with the same

seniority, accumulation of sick leave, and salary schedule placement as he/she enjoyed at the time of layoff.

- 5. Employees may accept less than full-time employment in the district; however, such employment does not constitute a waiver of recall.
- J. This article shall not require the Board of Education to fill any vacancy, nor shall it interfere with any other lawful personnel procedures in the district.
